

**INTERNATIONAL PILOT PROFICIENCY IDENTIFICATION (IPPI) CARD:**

**APPLICATION FORM**

The International Pilot Proficiency Identification card provides a standard reference by which all national rating programmes may be compared. When you travel aboard this card, along with your BHPA Membership card, will identify your pilot skills. It gives flying site managers, instructors and others responsible for hang gliding and/or paragliding flight operations an easy way of verifying your pilot experience level prior to approval of flight activities.

The SAFEPRO DELTA and/or SAFEPRO PARA stage on your IPPI card reflects your BHPA pilot rating. Please note that SAFEPRO DELTA is for hang gliding and SAFEPRO PARA is for paragliding. You can see from the table below which SAFEPRO DELTA and/or SAFEPRO PARA stage will be shown on your IPPI card. **The IPPI scheme only applies to hill pilots.**
